

THE SUNDAY SCHOOLS.

Second Day's Session of the State Convention.

INTERESTING AND IMPORTANT

Topics Discussed--How to Teach Sunday School--Over a Hundred Delegates Report and Many Do Not Report--The Institute Work--The Officers Elected and Resolutions Adopted--Hon. B. F. Martin Re-elected President.

Special Dispatch to the Intelligencer.

PARKERSBURG, W. VA., March 23.—The M. E. church was well filled at last night's session of the state Sunday school convention. After a song service there was prayer by Rev. J. H. Spence, of this city. Professor Hamill was then introduced and spoke for an hour and a half on Sunday school teaching. He laid down four propositions—first, the teacher must know what to teach; second, he must know whom to teach; third, he must know how to teach; fourth, he must be what he teaches. These propositions were discussed in a strikingly able and entertaining manner, the speaker using many apt illustrations and anecdotes to enforce and explain his arguments.

HOW TO TEACH.

This lecture, which was certainly one of the best of the kind ever heard in Parkersburg, was followed by a thirty minutes' talk on how to teach a Sunday school lesson. Mr. Hamill gave this by special request. He illustrated his remarks with diagrams. He said that the teacher should be on time; he should put his scholars at their ease; he should give them comfortable surroundings; should have all books closed. Then he should be sure that he has the attention of the scholars. One central thought and no more should be taught in one lesson. Drive the nail home with all of the force in your power. The children should be required to reproduce or repeat what has been taught them. Finally comes the application, the clinching of the truth.

WEDNESDAY'S SESSION.

At 9 o'clock this morning, Mr. Hamill conducted a bible reading, which was one of the best things of the convention.

Rev. T. E. Peters, chairman of the committee on credentials, reported as follows: Ministers present, 24; delegates present, 43; total present, 67; counties represented, 17; state of Ohio, 1; state of Illinois, 2. Denominations represented, 8, as follows: Baptists, 10; Methodist Episcopal, 35; Methodist Episcopal South, none; Methodist Protestant, 10; Lutheran, 4; Presbyterian, 2; Protestant Episcopal, none; Seventh Day Baptist, 2; United Brethren, 2; Congregationalist, 1; from Union Sunday school, 1. It was then learned that a great many of the delegates and some ministers had not reported to the committee. An effort was made to get their names, and the number was greatly increased. Still a good many of the delegates present have not been counted officially.

INSTITUTE WORK.

After recess Mr. Hamill took up the Sunday school institute work and devoted the remaining of the morning session to it. The special topic was "Sunday school scholars," which he discussed under the following heads: Their attendance; their home study; training lessons; "normal work," its aims, its methods, its needs. The committee on elections for the ensuing year, of which Rev. J. H. Spence was chairman, and Mr. A. L. Williamson secretary, reported this afternoon as follows: President, B. F. Martin, Grafton, M. E. church; secretary and treasurer, H. D. Bonghner, Clarksburg, Baptist; statistical secretary, U. S. Fleming, Buchanan, M. P.; first vice-president, S. C. Johnson, Charleston, Baptist; second vice-president, T. H. Lay, Weston, P. E.; third vice-president, W. H. Cook, Wheeling, Presbyterian; fourth vice-president, Frank Barr, Martinsburg, M. E. South. Executive committee—M. L. Barnett, Harrisville, M. P.; L. E. Peters, Parkersburg, Baptist; A. Mick, Wheeling, M. E.; J. H. Flanagan, Grafton, Presbyterian; C. S. Trump, Martinsburg, Lutheran; J. A. Black, Huntington, M. E. south; Peter Wager, Shinnston, Episcopal; J. C. Cardall, Moundsville, M. E.; Howard Carpenter, Parkersburg, U. E.

THE ATTENDANCE.

This afternoon the committee on credentials made a second report which showed an attendance of 35 ministers and 72 delegates—total 107. This, however, is not the full attendance by any means. Ritchie county has 20 members here and is the banner county. The committee's report on permanent officers was adopted by the chairman and secretary added to the executive committee. Chairman Martin made a brief address accepting the re-election and asking the Sunday school workers over the state to assist him. The committee on resolutions reported, recommending the use of all helps in preparing the lesson, but only the Bible in rendering it; resolved against every form of intemperance, against keeping the World's Fair open on Sundays, and extended thanks to Chairman Martin, to Rev. S. E. Jones, to the people of Parkersburg, to the trustees of the M. E. church, and to the various railroads. The financial report was then read and adopted, showing that some of the pledges made last year had not been paid. Rev. Dr. Riker, of Wheeling, then delivered an eloquent and forcible address. To-night the closing meeting was held with addresses by a number of the delegates.

Wedding at Martinsburg.

MARTINSBURG, W. VA., March 23.—A very large and fashionable crowd assembled at the Baptist church at noon today to witness the marriage of Miss Lillian Neer, one of Martinsburg's most beautiful girls, to Mr. William S. Harper, of Hagerstown, Md. The ceremony was performed by Rev. H. Lundy. The maid of honor was Miss Ida Evans, of Harrisburg, Pa. The groom's best man was Mr. John Kirby, of Harrisburg.

West Virginia Pensions.

Polling, Cyrus Shafer, Elbert R. Shinn, William E. Davis, John G. Sigmond, William H. Murphy. Original widows, etc.—Elizabeth Doss (mother).

Charter Granted.

CHARLESTON, W. VA., March 23.—The Secretary of State, Wm. A. Ohley, today issued a charter to "The Mason and Pomeroy Brick Company" for the purpose of manufacturing bricks, sewer pipe, tile and other like products. The principal office will be at Mason, Mason county. The capital subscribed is \$3,500, of which amount \$350 has been in. The privilege is granted to increase to twenty thousand dollars. Shares are \$100 each and are held by George Bauer, sr., George Bauer, jr., and John Bauer, of Pomeroy, Ohio, and H. D. Barley, and R. L. Winkellblack, of Mason, West Virginia.

A Sinner Murder.

COULEE CITY, WASH., March 23.—John Corley, a gambler, was ejected last night from a restaurant. He was intoxicated and began firing at the proprietor and waiters. Charles Pascoe was killed and Pat Egan seriously wounded.

The Whisky Trust Cases.

Boston, March 23.—Neither the whisky trust nor the Maverick bank cases are likely to be tried for several weeks, for Judge Nelson in the United States district court, to-day excused the jurors until April 15.

MARTIN'S FERRY.

Accidents and Incidents in that Thriving City—Personal and Industrial. Commencing to-day, mails will arrive from Wheeling at 6:15 a. m., 7:30 a. m., 10:30 a. m., 1:15 p. m., and 5:30 p. m., and depart at 8:30 a. m., 10:30 a. m., 4:15 p. m. and 7:30 p. m. They will be carried on the electrical railway, in charge of a good man, Mr. Jack Cowd, of the Wheeling postoffice, was over yesterday and made arrangements. This service ought to be entirely satisfactory to the people of Martin's Ferry and Wheeling. Mr. Cowl has given Bellaire the best service she ever had.

Mr. Thomas W. Jones, one of the grocers of Etanville, will move to Moundsville next month, where he will engage in the same business. Mr. Jones is one of the pioneers of Etanville, having located there in 1874, at which time there were only eight boiling furnaces in the Etan mill. He was formerly in the office at the Riverside Iron Works, Wheeling.

Mr. W. W. Powell, of Princeton, Illinois, who has been at the bedside of his sister here for the past two months will return to-day, via several of the larger cities, arriving home about April 8. He has made many friends here, and has ordered the INTELLIGENCER so as to keep posted on the election here. He is an enthusiastic Republican.

The Odd Fellows and Red Men will erect a three-story brick building on their lots, corner of Fourth and Hickory streets. There will be four store rooms on the first floor and two halls on the third. On the second will be a large hall or office. The building will cost from \$18,000 to \$23,000.

The "Willing Workers" will give an entertainment in the U. P. church on Friday evening at 7:30. Admission will be free, but a collection will be taken up for mission purposes. All are invited.

H. W. Smith, Esq., celebrated his seventy-first birthday yesterday, by entertaining the "Old Men's Club" at his home, in a most pleasant manner.

Ed. Keller, jr., while working in the cutting shop at the Buckeye glass works yesterday, had his eye cut with a piece of glass.

Mr. William Rembach has enlarged his residence in Clark's addition. Mrs. Mullaney's house near by will soon be completed.

Fresh Garden Seeds in bulk and package at J. Williams' grocery, on Washington street.

James G. Theaker and Kenworthy Hoge, of Mt. Pleasant, were in the city yesterday.

Mr. Edward Keller, of Philadelphia, will probably locate in Martin's Ferry. Everything in the grocery line at Ross Mitchell's, J. S. Harrison's old stand.

Mr. August Koehrsen has moved into his new building on Fourth street.

Mr. W. C. Bergundthal, of Bellaire, was in Martin's Ferry yesterday.

Ross Mitchell, the grocer, solicits a share of your patronage.

H. G. Pratt was in New Cumberland yesterday on business.

The Baptist church will build a new house of worship.

Ross Mitchell is selling groceries at low prices.

Mr. Dan Clino's daughter is improving.

MOUNDSVILLE.

A Miscellaneous Melange of Minor Matters from Marshall's Metropolis. Price & Blake, the saddlers, are moving into their new quarters. C. C. Quinn, the hardware merchant, is moving into his new building. R. T. King, the shoe merchant, will move to his new quarters the last of the week.

The farm of William P. Hornbrook, deceased, was sold at public sale yesterday by C. C. Mathews, executor, to Lewis Allen for about \$5,500. It is a fine farm and lies in Franklin district.

The family of W. L. Edwards is certainly having its share of sickness. Four members of the family have the typhoid fever. All are doing as well as could be expected.

Moundsville now has five milk wagons, three bakeries and seven saloons. Nobody would suspect her people of eating dry bread.

Gallagher & Addis have engaged in the dairy business. Isaac Rogers has started a dairy east of town.

WHAT IT REALLY IS.

The Most Dangerous of Modern Epidemics Clearly Defined—Pneumonia and What Causes It.

There has been a great mistake as to what pneumonia really is. People who dread some physicians, have called it a dangerous disease. Pneumonia is always an after effect. If the system is run down, weakened, debilitated, if the life is at a low ebb, the lungs may fill up and the person die suddenly, and it is called pneumonia. No man or woman ever died of pneumonia when the body was strong, vigorous and healthy. It comes upon one when weakened by grip, by a severe cold or overwork and a generally weakened condition. Such being the case, how can this dreadful trouble known as pneumonia be prevented or ward off? Manifestly, by strengthening and fortifying the body by having the health and strength so secure that pneumonia will not attack, or if it should, can easily be warded off. This can be done by careful living, careful diet and a moderate use of pure stimulant. To gently assist nature a stimulant is required, something that adds to the life and vigor. Nothing for this purpose can equal pure whisky; and it should be long in mind that the only pure and medicinal whisky which has received the unqualified endorsement of physicians and scientists is Duffy's Pure Malt. It is the only whisky that possesses the property known to so other articles. It will effectively ward off pneumonia and has saved the lives of thousands of people. It should be remembered, however, that it is the whisky which accounts for this, and not any drug or grocer who seeks to convince you to the contrary is deceiving. Insist upon having Duffy's Pure Malt.

BELLAIRE.

All Sorts of Local News and Gossip from the Glass City. The county election board has finally adjusted matters for this spring under the amended Australian ballot law. In only three towns, Bellaire, Martin's Ferry and Barnesville, does it apply. In this city three tickets were properly certified, Republican, Democratic and Prohibition. In Martin's Ferry there was no Prohibition ticket, but an independent candidate for street commissioner was properly certified by petition. In Barnesville all three parties had tickets, and in one ward an "independent temperance ticket" was added.

A fellow who gives his name as George Thompson was arrested yesterday evening by Officer Charles Johnson for breaking into the office at the Baltimore & Ohio stock-ponds. He went in through the window, breaking the latch, but did not secure much booty. Prior to his arrest Officer Burke, of the Baltimore & Ohio, interviewed him, and although he told a thrilling story about being at Valparaiso at the time of the wonderful shooting, Burke put him down as an ordinary tramp with "a gift of gab."

Mayor McGowan paid into the city treasury, this week \$174 17, collections for last month's fines, license, etc. His action in suspending Officer Felton for insubordination was unanimously sustained by the Council Tuesday evening, but the suspension of Officer Johnson was not reported at all. The latter is the Democratic candidate for marshal and there are six Democrats in the Council, which probably accounts for the mayor's action, upon the line that "discretion is the better part of valor."

The Episcopal congregation yesterday evening tendered a reception to Rev. Charles O'Meara, their rector, who will retire next month, to Mrs. Jennie Campbell, widow of a former pastor, and to T. C. Nicholson, the well known ball player, who is a popular member of the church here. The reception was held at the home of Mr. and Mrs. William A. Wise, on Gravel Hill, and was a very pleasant occasion.

Robert D. Cochran lost a valuable horse by his being caught on a bridge near Wogge by the Bellaire, Zanesville & Cincinnati train the other day. Four of his horses became frightened and started over the trestle and three of them landed safely, but Dan, by Tennessee Drennon, record 2:10, was caught and injured so that he was killed.

Through a request from the board of trade by reason of pressure applied in an ingenious way for a long time—it is probable the council, before the time of the present marshal expires, will create the office of lieutenant of police. The men who started the project, however, to create a place for one of them are out of it now.

The mail agents on the C. & P. railroad are required to weigh their own mail at this time, write on the main line, and on the B. & O. men for that purpose alone are provided. George Poorman is one of them on the B. & O. and started to Chicago yesterday.

Ernest Schoen, the man with two inches square of the skull removed from the top of his head by reason of a fall at the mill some weeks since, has recovered as fully as possible, and will resume work at the steel works next week.

Miss Mary Smith, daughter of D. J. Smith, left yesterday to join her father in their new home near Muncie, Ind., where he is secretary of a glass company.

Mr. and Mrs. D. A. Colbert entertained the members of the Chautauqua Circle on Tuesday evening. Refreshments were served.

The ball of the Mercantile club at the Globe hotel last night was quite an elaborate Jewish ball. Kilmoyr furnished the music.

Miss Laura McCollough left yesterday afternoon for Brighton, N. J., where she will take a course in music.

Meyers Harzberg, a young merchant of this city, will be married at Akron to-day.

Do not "throw up the sponge." Try the old standard remedy, Dr. Bull's Cough Syrup. Price 25 cts.
